Step 1: Re-Enrollment Forms & Document Uploads

For your convenience, we have created a [Forms Library](#) where you can access the forms needed for your child's enrollment.

Parents/Guardians must complete and scan all re-enrollment documents to a desktop or portable drive PRIOR TO completing the Renweb Application.

Incomplete or blank form submissions will not be accepted. Enrollment applications that contain missing or incomplete forms will be returned to incomplete status in our Student Information System. [Link to Forms Library](#).

Some forms are required for all returning students. Others are required for students who meet the criteria. On **page 3** you will find a brief overview of the forms your child(ren) may need.

The information you share on these re-enrollment forms is confidential and will be available only to those health and education personnel who have a legitimate educational interest in your child.

Should you have any questions, please don't hesitate to contact our Admissions Office at 410-719-0921 or admissions@alrahmah.org.

Priority Enrollment will be available for returning students as follows:

2025-2026 PRIORITY ENROLLMENT DATES & FEES
March 5, 2025 – April 06, 2025 | \$60 Application Fee
April 07, 2025 | \$125 Application Fee

Once the Priority Enrollment period has ended, returning students will lose their priority placement, and admission criteria will be the same for returning and new students.

To ensure that students are well-prepared for success, our admissions process follows a standard ranking system based on the following criteria:

- ✓ **Academic Standing** – Evaluation of the student’s academic performance concerning the grade applied.
- ✓ **Social-Emotional Readiness** – Assessment of the child’s ability to engage, adapt, and thrive in the classroom setting.
- ✓ **Performance Feedback** – Review of teacher evaluations and overall progress from the student’s previous school.
- ✓ **Code of Conduct** – Consideration of behavioral records and adherence to school expectations in previous educational settings.

These criteria help us maintain a supportive and dynamic learning community, ensuring that each student receives the guidance and resources needed to excel at Al-Rahmah School.

Step 4: Resources Fees

Resources fees help offset the cost of assessment and instructional materials we use to implement our educational program. These costs include, but are not limited to, textbooks, online programs, and testing software. The Activity Fee offsets the cost of class field trips. The Class Dues (8th grade only) offset the cost of graduation gowns and supplies.

The Resource Fees for 2025-2026 are due July 1, 2025, as follows:

Grade Level	Fee Amount
Kindergarten Technology/Textbook/Testing	\$250
1st-5th Technology/Textbook/Testing	\$250
6th-8th Technology/Textbook/Testing	\$250
Kindergarten-8th Activity Fee	\$100
8th Class Dues for Graduation	\$75

Once your enrollment application has been accepted, the Billing Office will add the Resources Fees as charges to the student account.

Every effort is made to balance the cost of attendance with the increasing costs associated with operating a full-time, state-approved, accredited educational institution.

To secure a child's seat, Parents/Guardians must pay for the first monthly tuition installment. The balance of tuition charges is typically billed monthly, over ten months. You may prepay the tuition in full at any time.

Please log in to your FACTS accounts to verify that your contact and account information is up-to-date. Delays in processing billing may impact your child's ability to enroll in or attend the school.

Tuition Assistance is available to eligible families on a first-come, first-served basis based on available funding. **If you are interested in Tuition Assistance for your child(ren), please contact us at financialaid@alrahmah.org.**

Tuition Assistance may also be available in the form of scholarships through the [Broadening Options and Opportunities for Students Today \(BOOST\) Scholarship Program](#) (state-wide) and the [Children's Scholarship Fund](#) (Baltimore City residents only). These programs are publicly and privately funded, respectively. Award determinations are made by the program administrators.

If you have completed all of the steps below, your child's seat will be reserved for the 2025-2026 school year:
